N Sadasivan
Commissioner
Corporation of Cuddapah

Copy of letter No 506/52-53 dated 4th October 1952 from the Commissioner, Corporation of the City of Bangalore to the Secretary to Government, L.S G Department, Bangalore.

Subject Bye-laws framed under the City of Bangalore Municipal Corporation Act, 1949

Reference Paras 47, 49, 50, 51, 54 and 63 of these Notes.

As desired by Government the various bye-laws have been examined in separate files and the suggestions made in paras 10 and 36 of these notes have been carried out in the concerned draft bye-laws by taking necessary extracts of the relevant portion of the notes containing the suggestions and remarks on the various draft bye-laws.

Certain general remarks have been made in respect of the license fees which have been included in the draft bye-laws With reference to those remarks, the portion relating to the levy of license fees have omitted and a separate schedule showing the rates of license fees for the various matters mentioned in the Act will be issued in due course in a compendious manner

Each draft is forwarded to the Government separately and copies of the bye-laws of the Madras Corporation on which the draft bye-laws are based have been enclosed along with the concerned draft bye-laws Two volumes containing the bye-laws of the existing Bangalore City Municipality and the Civil Station Municipal Commission are sent herewith for reference as separate copies of the bye-laws are not available The Government may be pleased to approve the byelaws and return them Arrangements will then be made to print them in English and Kannada in a book form incorporating the sanction of the Government in each case Six copies of such printed copies will be sent to Government

/ C O P Y /

For Secretary to Government,
L S G Department.

Printed copies of the draft bye-laws will also be sold to any person requiring them on payment of one anna per draft bye-law

MIR SAFDAR HUSSAIN,
Commissioner.

Read with Section 369

**Bye-Laws framed by the City of Bangalore Municipal Corporation under Sub-Section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the sanitary control and supervision of premises used for packing, pressing, cleansing, preparing or manufacturing flour ~~or manufacturing condiments or for husking~~ (for other than domestic use) in the City of Bangalore.**

1. No person shall use any building for packing, pressing, cleansing, preparing or manufacturing by any process whatever flour, or manufacturing condiments [for other than domestic use] unless it is constructed of masonry and unless every part thereof is constructed of non-inflammable materials.

2 [i] Any person using or desiring to use any premises for the above purposes shall apply to the Commissioner, in writing, for a license The Commissioner may either grant or refuse such license When the Commissioner refuses the grant of a license, he shall give reasons therefor and an appeal shall lie to the Standing Committee of the (Health) Corporation from such order of refusal

[ii] No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year, and may be renewed on application for a similar period one month before the expiry of the license.

[iii] Every application for a license under this bye-law shall be in the Form in Schedule "A"

[iv] [a] The license granted under this bye-law shall not be transferable either as regards the person to whom it is issued or the place for which it is granted

[b] It shall be in the Form in Schedule "B".

[c] ~~For every license granted under this bye-law, fees shall be charged as shown in Schedule "C"~~

[d] The license shall be affixed in a glass frame in a conspicuous place in the business premises to which it relates

3 Every person who has obtained from the Commissioner a license for the use of any premises for any of the abovesaid purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein

4. He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvia therefrom

5 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer

7 He shall provide sufficient means of ventilation and sufficient light and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvia arising during any process of burning etc He shall also maintain at all times in good order and efficient action

He shall cause the floors of every building such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commissioner and such flooring shall be kept at all times in good order and repair

8 He shall provide sufficient means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action

9 He shall not permit or suffer any part of the building upon such premises in or upon which any of the said articles is kept or stored or manufactured to be used at any time for the purposes of human habitation

10 He shall provide suitable non absorbent water tight covered receptacles in such premises for the deposit of all refuse matter and he shall cause such receptacles to be emptied as often as may be necessary and at least twice in every 24 hours into the dust bin provided by the Corporation

11 No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose

12 The licensee shall provide in such premises latrines in such position and of such description size and number as the Health Officer may direct for the use of persons employed therein The licensee shall not provide any lavatory urinal or latrine opening directly into or upon any place where condiments or other articles are manufactured or stored otherwise than through a fully ventilated passage

13 Every person employed therein shall produce once a year or as often as may be required by the Health Officer a certificate from a Municipal Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any kind and is fit for employment in such business Such certificate shall be granted free of charge by the Municipal Medical Officers

14 The licensee shall keep at all times all trays and other utensils used in the business in a clean and sanitary condition and in good order and repair

15 The licensee shall store in bags all flour and other articles which are not required for immediate use and shall place them not on the ground but on benches tables or other raised platforms made of impervious material

16 The licensee shall provide every person employed in such premises with clean apron

17 The licensee shall pack or store all flour condiments and other articles prepared in such premises in such a manner as to completely protect them from dust and flies

18 No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the business referred to in bye law 1 and no licensee shall employ a leper or any person suffering as foresaid to assist him in carrying on such business

19 Every licensee shall cease temporarily to carry on such business on the occurrence of any loathsome infectious or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell any article made or kept therein or resume his business without the written permission of the Health Officer

20 The licensee shall not allow any dog or cattle into any such premises

21 Whoever commits a breach of any of the above bye laws shall be punishable

[a] with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach or

[b] with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach

[Food control—Flour—Condiments.]

*By-laws under section* 349 (13) *of the Madras City Municipal Act*, 1919, *for the sanitary control and supervision, of premises used for packing, pressing, cleansing, preparing or manufacturing flour or manufacturing condiments (for other than domestic use).*

1. No person shall use any building for packing, pressing, cleansing, preparing or manufacturing by any process whatever flour or manufacturing condiments (for other than domestic use) unless it is constructed of masonry and unless every part thereof is constructed of non-inflammable materials

2. Every person who has obtained from the Commissioner a licence for the use of any premises for any of the abovesaid purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3. He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvia therefrom.

4. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer

5. He shall provide suitable means of ventilation and lighting and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvia arising during any process in the manufacturing, etc. He shall also maintain them at all times in good order and efficient action.

6 He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commissioner and such flooring shall be kept at all times in good order and repair.

7. He shall provide suitable means of drainage upon or in connexion with such premises and shall cause the same to be maintained at all times in good order and efficient action.

8. He shall not permit or suffer any part of the building upon such premises in or upon which any of the said articles is kept or stored or manufactured to be used at any time for purposes of human habitation.

9 He shall provide suitable non-absorbent air-tight covered receptacles in such premises for the deposit of all refuse matter and he shall cause such receptacles to be emptied as often as may be necessary and at least twice in every 24 hours into the dust-bin provided by the Corporation.

10. No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose.

11 The licensee shall provide in such premises latrines in such position and of such description size and number as the Health Officer may direct for the use of persons employed therein. The licensee shall not provide any lavatory, urinal or latrine opening directly into, or upon, any place where condiments or other articles are manufactured or stored, otherwise than through a fully ventilated passage.

12. Every person employed therein shall produce a certificate of medical fitness from the Corporation Medical Officers who shall grant it free of charge once a year or as often as may be required by the Health Officer.

13. The licensee shall keep at all times all trays and other utensils used in the business in a clean and sanitary condition and in good order and repair.

14 The licensee shall store in bags all flour and other articles which are not required for immediate use and shall place them not on the ground but on benches, tables or other raised platforms made of impervious material.

15 The licensee shall provide every person employed in such premises with a clean apron.

16 The licensee shall pack or store all flour condiments and other articles prepared in such premises in such a manner as to completely protect them from dust and flies.

17 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in by-law 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

18. Every licensee shall cease temporarily to carry on such business on the occurrence of any loathsome, infectious or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell any article made or kept therein or resume his business without the written permission of the Health Officer.

19. The licensee shall not admit any dog or cattle into any such premises.

20 Whoever commits a breach of any of the above by-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

R. SUBBAYYA,
*Joint Secretary to Government.*

waiting pen or lair provided for the purpose, for a period of not less than 48 hours before slaughter, and during such time or any subsequent extension thereof the animals shall be fed at the expense of such person

31 An officer appointed by the Commissioner shall stamp all carcasses and meat from a private slaughter-house No person shall remove carcasses and meat from a slaughter-house to any market or other place except in a suitable covered vehicle of a pattern and size approved by the Health Officer and specially set apart for the purpose Such person shall during such removal conceal the carcasses and meat from the public view and completely protect them from flies and dust Persons providing such vehicles shall at all times keep the same in a clean and sanitary condition and in good order and repair

32 The licensee shall not permit the sale of meat in any private slaughter-house but may allow the sale of offal and skins in such places as may be assigned therein for such purposes and at such hours as may be fixed by the Health Officer

33 The licensee shall cause the removal from such slaughter-house, skins, entrails and all other offal within three hours of the completion of slaughtering or dressing

34 No person shall insufflate or blow any carcass

35 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall enter any private slaughter-house, nor shall a leper or any person suffering as aforesaid be employed by the licensee to remove or assist in the removal of carcasses or meat from the slaughter-house

36 No dog shall be kept or permitted in any private slaughter house Any dogs found therein shall be dealt with as stray dogs

37 Whoever commits a breach of any of the above by-laws except by-law 1 shall be punishable—

(*a*) with fine which may extend to fifty rupees and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach

*Statement of particulars to accompany the application for a licence*

Name and address of the owner of the premises

Nature and condition of applicant's tenure of the premises

Whether he is the sole owner, lessee, or tenant or whether jointly interested with any other person or persons and if so with whom

(1) Boundaries, area, the description of the proposed site of the premises to be erected for use and occupation as a slaughter-house

(2) Description of the premises to be erected on such site—

(*b*) Extent of paved area in such buildings and materials to be employed in the paving of such area.

(*c*) Mode of construction of the internal surface of the walls of such buildings and materials to be employed in such construction

(*d*) Means of water-supply position, form, materials mode of construction and capacity of the several cisterns, or tanks or other receptacles for water to be constructed for permanent use in or upon the premises

(*e*) Means of drainage, position, size, materials and mode of construction of the several drains

(*f*) Means of lighting and ventilation

(*g*) Means of access for cattle from the nearest street or public thoroughfare

(*h*) Number position, and dimensions of the several pounds, stalls, pens or lairs to be provided on the premises

(*i*) Number of animals for which accommodation will be provided in such pounds, stalls, pens, or lairs distinguishing—

(1) Oxen, buffaloes and cows, (2) calves, (3) sheep and lamb, (4) swine

## XIV

[Disease prevention—Dangerous diseases—Of men or animals ]

*By-laws under section* 349 (25) *of the Madras City Municipal Act IV of* 1919 *to provide for the prevention of dangerous diseases of men or animals*

1 No person shall retain in any premises the corpse of any person who has died of any dangerous disease for more than 12 hours except with the permission of the Health Officer Such person shall remove the corpse within that period to a burial or burning ground, or other place for the disposal of corpses.

2 If a person dies in a hospital of any dangerous disease the person in charge of the hospital shall not allow the corpse of such person to be removed to any place other than a burial or burning ground or other place for the disposal of corpses

3 Any one who removes the corpse of any person who has died of any dangerous disease shall bury or burn with such corpse any cloths or clothes used for conveying the same

4 No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the calling of a washerman or barber or be employed in or assist in the carrying on of such calling No leper and no person suffering as aforesaid shall beg in any public street

5 No washerman shall carry on his calling on the occurrence of any dangerous disease in his premises and he shall not resume his calling without the written permission of the Health Officer

6 On the occurrence of any dangerous disease in his premises a washerman shall retain all clothes in his possession until the written permission of the Health Officer has been obtained to return them to the owners

7 A washerman shall at once report to the Health Officer or the Divisional Sanitary Inspector all cases of dangerous disease coming to his notice in the course of his calling

8 The person in charge of any premises used for carrying on the calling of a dhobi shall store or cause to be stored soiled clothes in separate rooms

9 No person shall wash soiled clothing in the source or sources of the public water-supply

10 The owner or occupier of any premises shall give immediate notice to the Health Officer of the occurrence of any dangerous disease among any animals kept in such premises and shall segregate or remove such animals to such place as the Health Officer may direct.

11 No person shall flay or cut up in any circumstances the body of any animal which has died of anthrax, glanders, rinderpest or tetanus and the owner or person in charge of such body shall forthwith remove the same and burn it or bury it at least six feet deep after completely covering it with a layer of lime at least one inch in depth

12 The Commissioner or the Health Officer may seize any article which is infected, or is suspected to be infected with anthrax or tetanus and cause it to be disinfected and returned to the owner Where in the opinion of the Health Officer such disinfection is not possible, the Commissioner or the Health Officer shall cause such article to be forthwith destroyed

13 If in the opinion of the Health Officer there is imminent danger of the introduction of dangerous epidemic disease the Commissioner may (with the sanction of the Local Government) by public notice prohibit the entry into municipal limits of persons during a specified period No vagrant or professional beggar, shall after such notice and during such specified period enter the municipal limits

14 Whoever commits a breach of any of the above by-laws except by-law 12 shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which
